(All cattle sold by Kivells are sold under the Livestock Auctioneers Association Conditions of Sale)

In Milk / In Calf dairy cattle sold through the dairy ring at £1000 or less per head DO NOT carry the usual National Sales Conditions warranty

Maiden heifers stated to be sold for breeding purposes.

The **vendor** warrants a **maiden heifer** stated in the catalogue or at the time of sale to be sold for breeding purposes to be free from any malformation which would render the animal incapable of breeding. The warranty is a **5 day warranty** if the malformation is patent or a **6 month + 5 day warranty** if the malformation is latent.

If the **purchaser** proves a breach of warranty the **purchaser** may return the animal to the **vendor**. Notice of claim must be supported by a **veterinary surgeon's certificate**.

Cows or heifers sold as being in milk and/or in calf.

The vendor warrants a dairy cow or heifer in calf and/or in milk: (a) To be correct in the udder and teats; (b) Not to be infected with **clinical mastitis**; (c) Not to suck any other animal or herself; and (d) To be **quiet to milk**.

The warranties in conditions (a) & (b) is an after sale warranty which shall run from the close of the day's sale or until the animal is removed from the sale premises, whichever is sooner. The warranty in conditions (c) & (d) is a **5+5 day warranty**.

Cleansing The **vendor** warrants that all newly calved **cows** and **heifers** have cleansed satisfactorily before the sale. This warranty is a **3 day warranty** in which any claim made by the **purchaser** must be supported by a **veterinary surgeon's certificate**. The **vendor** is obliged to pay for the cost of one wash out.

Cows or heifers sold as served or guaranteed in calf: When an animal stated to have been served less than **10 weeks** prior to the sale and is **pregnancy diagnosed positive**, this is given as **guidance only** and carries **no warranty**. If a cow or heifer has been positively diagnosed as **10 weeks or more in calf** at the time of sale and thereafter is proved to be not in-calf, and a **Veterinary Surgeon's certificate** to that effect is produced there is a **38 + 5 day warranty**. Where a cow or heifer is sold as 'having run with a bull' no warranty as to the animal being **in calf** at the time of sale is given.

Breeding Stock bulls The **vendor** warrants that any bull 10 months or over sold as a stock bull is capable of and effective at natural service. This warranty is a **16 week warranty**.

Please note Milk yields are given as a guide but carry no warranty. The descriptions are supplied by the vendor and whilst they are believed to be correct this catalogue in no way shall guarantee their accuracy. **Antibiotics** – Please would **all vendors** inform the Auctioneers if any animal has been treated with **any antibiotics**. There are serious penalties incurred to milk producers for **antibiotic contamination**.

Unless advised otherwise you will be bidding and buying under these Conditions and you will be obligated to abide by these Conditions and these Notice to Purchasers. The LAA Conditions of Sale are also displayed in Kivells market office. Clauses 12 to 19 inclusive relate mainly to the Purchaser. This catalogue may also contain reference to Warranties as defined by the LAA Conditions

of Sale. Warranty issues will not be considered if payment in full has not been received.

Risk – All livestock are at the risk of the Vendor before they are sold and at the risk of the Buyer when they are sold (fall of the hammer). It is strongly advised that Vendors and Buyers ensure that their insurance policies cover livestock at market premises and that Buyers have immediate cover for animals purchased.

Descriptions of Lots – Buyers should satisfy themselves prior to making bids as to the condition of any Lot and should rely on their own judgement as to whether the Lot accords with its description. All Lots are sold under the Livestock Auctioneers Association Conditions of Sale as referred to above to include the following two clauses:
