## Dispersal Sale to be Sold in Guineas (£1.05)

**F J PRING**  
**HEATHFIELD FARM, AWLISCOMBE, HONITON, DEVON, EX14 3PJ**

Kivells are pleased to have received instructions from Rodney, Graham and Nicky Pring of Heathfield farm, Awliscombe to disperse their herd of Dairy Cattle. The cows are a blend of both purchased and homebred cattle, Rodney has always bought quality replacements from both Holsworthy and Exeter weekly markets and dispersals.

The cows are managed on a simple system, milked twice daily in a herringbone parlour and grazed through the spring to autumn months. The cows are fed grass and maize silage in the winter months with concentrate fed through the parlour. The cows are cubicle housed and are vaccinated for BVD and Lepto, the whole herd is Johnes screened, and all cows offered for sale have tested negative.

### Auctioneers Comments:

This sale includes good quality, well managed, commercial Holstein Friesian cows and heifers from a genuine herd dispersal. The cows are medium-sized with very good udders, legs and feet. The cows are run on a simple system and have great potential to respond to different management systems. This herd has been very carefully managed by the Pring family and the cows are a true credit to them. We thank the Pring family for their instructions and wish them all the best for the future.
