Your **Development Land and Planning Team** here at Kivells have housebuilders and developers who are interested in the right sites - from small family run builders who are looking for just 10 plots to large national housebuilders who want sites for 100 plus houses.

If you own land on the edge of a large village or town with good access and road frontage, we would be delighted to chat with you about your land and if there is a chance of planning for housing development in the future. With the recent reforms to the planning system, this could be an opportunity to add value to your land that could work harder for you.

Farm Resilience Programme

Farming is changing and it can feel hard to keep up. The Farm Resilience Programme supports you with the whole farm and whole family in mind.

This programme is FREE and open to everyone in your family or farm business. You'll receive a tailored business health check, and three practical workshops to help you:

- Make sense of what's changing around you.
- Explore current and future business and environmental opportunities.
- Build a practical plan that suits your short-term goals and long-term business strategy.

We're not telling you how to farm. We'll work with you to see what options are available so you can feel confident in planning your farm's future.
