Your Development Land and Planning Team here at Kivells have housebuilders and developers who are interested in the right sites – from small family run builders who are looking for just 10 plots to large national housebuilders who want sites for 100 plus houses.

If you own land on the edge of a large village or town with good access and road frontage, we would be delighted to chat with you about your land and if there is a chance of planning for housing development in the future. With the recent reforms to the planning system, this could be an opportunity to add value to your land that could work harder for you.

Contact your Development Land & Planning Team today to discuss your options.

Farms, Land and Smallholdings

Kivells Strengthen their Farms and Land Team

Kivells are delighted to announce the continued growth and development of their Farms and Land department with the appointment of Ben Hancock.

Ben has many years experience gained at a top-level national firm in the South West and, during this time, has developed a strong reputation for delivering high-quality advice and agency services working closely with a wealth of corporate clients and private landowners.

Ben will be purely focusing and specialising in the sale and acquisition of agricultural land and farms and, with in-depth market knowledge, combined with a practical and commercially focused approach, ensures clients receive clear, tailored advice to maximise the value of their assets.

In his new position at Kivells, Ben will lead the South West Farms and Land team, playing a pivotal role in driving growth in this key area of the business.

Ben says, "I am thrilled to have joined Kivells and look forward to contributing towards the continued growth and success of the Farms and Land department. Kivells hold an exceptional reputation in the South West agricultural sector and there is a real opportunity to build on the strong foundations already in place. I am looking forward to strengthening the firm's valued relationships with its loyal landowning client base, while also forging new connections as we expand our reach and continue to build on Kivells' success in the rural property market."

Kivells Director, Mark Bromell, commented "This is an exciting appointment for Kivells. We feel this appointment will enable us to grow our agency presence across our network of South West offices and are delighted that Ben will be focusing exclusively on farm and land sales. Kivells are committed to delivering exceptional service to our valued clients and Ben is highly capable of providing landowners with the best possible agency advice. We are thrilled to have Ben heading and leading our Farm and Land Agency department. Ben joins us from a highly reputable firm, bringing with him a proven track record in the agricultural agency sector. With high demand for rural property and farmland in our region, there's no better time to strengthen our expertise and deliver this exceptional level of service to landowners and farmers alike."

If you are seeking advice on the disposal or acquisition of any agricultural asset or would simply like an update on the market, Ben would be pleased to offer an initial, no-obligation consultation. Please feel free to contact him on **07760 887581** or email **ben.hancock@kivells.com**
