Your **Development Land and Planning Team** here at Kivells have housebuilders and developers who are interested in the right sites – from small family run builders who are looking for just 10 plots to large national housebuilders who want sites for 100 plus houses.

If you own land on the edge of a large village or town with good access and road frontage, we would be delighted to chat with you about your land and if there is a chance of planning for housing development in the future. With the recent reforms to the planning system, this could be an opportunity to add value to your land that could work harder for you.

Kivells Strengthen their Farms and Land Team

Kivells are delighted to announce the continued growth and development of their Farms and Land department with the appointment of Ben Hancock.

Ben has many years experience gained at a top-level national firm in the South West and, during this time, has developed a strong reputation for delivering high-quality advice and agency services working closely with a wealth of corporate clients and private landowners.

In his new position at Kivells, Ben will lead the South West Farms and Land team, playing a pivotal role in driving growth in this key area of the business.

Ben says, "I am thrilled to have joined Kivells and look forward to contributing towards the continued growth and success of the Farms and Land department. Kivells hold an exceptional reputation in the South West agricultural sector and there is a real opportunity to build on the strong foundations already in place.
