**6 DAY STANDSTILL:-**If cattle, sheep, goats or pigs are moved onto a holding then **no** cattle, sheep, goats or pigs can be moved off the holding within six clear days of that movement (or 20 days for pigs). The standstill starts when the animals are brought onto the holding, and the six day count starts on the following day.

**FOOD CHAIN INFORMATION DECLARATION**

The holding is not under restriction from bovine Tuberculosis (TB).

Cattle on the holding are not under movement restrictions for other animal's disease or public health reasons (excluding a 6-day standstill).

**Any cattle sold that are still in withdrawal periods will be declared as such, with the following information:-**

Product Used	Withdrawal Period	Date Treated	Withdrawal End Date

To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.

No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

I understand that my livestock sold for human consumption complies with the requirements of the Food Safety Act 1990.

**TB DECLARATION**

I hereby declare that any Bovine animal over the age of 42 days on the day of sale has been TB tested negative within the previous 60 days.

Date of Test: \_\_\_\_\_ (Date of injection)
