Grasscroft Dispersal Sale

15 August 2025

MV Accredited

DCA Farming, 6 Grasscroft, Long Buckby, Northamptonshire, NN6 7PZ

Foreword

What began as a simple experiment in 2020 turned into an unexpected and deeply rewarding journey. We decided to try Dutch Spotted rams on a group of commercial shearling ewes—and the results exceeded all expectations. The ewes lambed with ease, and the lambs themselves were calm, well-shaped, and impressively weighty at weaning. It was clear we had found something special.

That Christmas, Dick asked Cheryl what she'd like as a gift. The answer came without hesitation: "An in-lamb pedigree Dutch Spotted ewe, please."

Off he went to Carlisle, and—oh dear—he returned not just with one ewe (BE831820604, who remains our favourite and now heads into a well-earned retirement), but also two more in-lamb ewes and two ewe lambs—one of which was also in-lamb!

Fast forward two years, and the commercial ewes had all been sold, replaced by a growing pedigree flock. Much to Dick's amusement, Cheryl was now spending her spare time sitting contentedly in the field, surrounded by sheep and feeding them digestive biscuits.

Sadly, the time has come to part with the flock. Cheryl's scanning commitments, along with the rising cost of fuel and rent—not to mention the emotional demands—have made it the right decision, though certainly not an easy one. It's not the sheep's fault—they've been a complete joy.

We hope this sale gives others the opportunity to enjoy these animals as much as we have. We wish every buyer the very best of luck and plenty of pleasure with their new stock.

With our warmest thanks,

Dick, Cheryl, and Ann

Sale Conditions and General Information

All animals entered must be fully registered and, on the Grassroots Database, with all fees paid at least 7 working days before the date of sale entry. All sheep must be tagged in accordance with the rules of Dutch Spotted Sheep Society and with the relevant DEFRA regulations. The vendor shall be responsible for the correctness of identity.

METHOD OF SALE – All sheep will be sold in guineas (105 pence) and in catalogue order unless alteration is announced by the auctioneer. A market commission at the mart's rate will be charged on all sheep sold, plus a further 1% sales levy, which will be paid to the DSSS.

Graded animals (where relevant) will always be sold after all the purebred animals in MV and non MV sections.

CONDITIONS OF SALE – The sale is held subject to the Livestock Auctioneers Association Conditions of Sale and the Rules of the DSSS.

UPSET PRICE – This is a dispersal sale and no upset price is set.

MAEDI VISNA - All sheep from MV Accredited flocks will only be accepted into the market and penned for sale if they are accompanied by a current and correctly completed Maedi Visna Accreditation Scheme Certificate.

NUMBERING – All entries must be identified by their catalogue number by means of a neck tie or by numbers printed clearly on the animals back in paint and will be sold in catalogue order.

FLOCK DISPERSAL – *In prior agreement with the society, a full flock dispersal can take place on the same day as a Society sale, but not as part of the main sale and must be catalogued in a separate publication;*

No further sheep can be registered for the flock once a dispersal sale has taken place.

Dispersal sheep will not be inspected, and will not be eligible for showing.

Please note that it remains the responsibility of the party or parties purchasing stock at society sales to ensure they are satisfied with the quality and standard of the animals before engaging with any purchase.

SETTLEMENT AND CLEARING OF STOCK – Settlement in full is due immediately at the close of sale. No animal must leave the sale premises without an official “pass slip” obtainable only from the Auctioneers upon settlement.

11 **EXPORT TO NORTHERN IRELAND** – As of the 1st January 2021, the rules for exporting sheep from Great Britain to Northern Ireland and the European Union have changed. – No direct export or vendor returns will be available under current animal health rules. It will be the responsibility of the purchaser and/or vendor to make necessary arrangements for the sheep going to Northern Ireland.

DISCLAIMER- the responsibility for export of sheep rests with either the purchaser or the vendor and not the Dutch Spotted Sheep Society or Auction Company accommodating the sale.

12 **FLUSHED SHEEP** – where females have been flushed, with or without, embryos being recovered before the sale must be declared in the catalogue and announced at the time of the sale. Failure to do so will result in the purchaser having the right to return the sheep – costs may occur.

13 **SEMEN** – rams being sold where semen is being retained, details must be disclosed at the time of sale.
