Vendors Forewords

We are absolutely thrilled to welcome you to our second On-Farm Sale here at Burton. It's been a challenging year, and we're so grateful for the continued support we've received over the past 12 months.

Things look a little different this time around, but our commitment remains the same — to champion our Huish Dorsets and continue breeding top-quality stock to the highest standards for our customers. Our flock continues to grow and evolve, now running 680 ewes, as we strive to keep pushing forward in quality, consistency, and performance.

This sale showcases a wide range of genetics from the Champion Flock 2024, including both fresh new lines and time-proven favourites. Some of the more recent sires featured include:

- Huish Fraser and Huish Grenade, both sired by the exceptional Gooramma 25-20
- Huish Fergus, sired by Sherbourne Benchmark — a standout breeder within our flock

These rams have all excelled in the show ring and proven themselves through the high-quality offspring they've produced. We've also dipped into the archives to bring you genetics from one of our all-time favourites — Downkillybegs Unique — a true all-rounder known for exceptional carcass and breed quality.

We're especially proud to be offering show winners in today's sale, including:

- Lot 20 – Breed Champion and Reserve Interbreed Champion, Devon County Show 2025
- Lot 76 – National Show Champion 2025

We wish you every success with your purchases and thank you sincerely for choosing to work with Huish genetics.

Warm regards,
Rich & Alice

Auctioneers comments

Having had the honour of walking the sale sheep in the last few weeks I was extremely impressed with the quality on offer at this year's fixture. The in lambers are a tremendous flock of sheep in peak fitness with many eye catchers amongst them in the field and great depth of breeding in their pedigrees, like you'd expect from Huish. Likewise the ewe lambs are an incredible bunch of future prospects, demonstrating fantastic size with great length and tremendous lift. The presence of Australian sire Gooramma, now often as a grandsire in the pedigrees has put a subtle yet very obvious stamp on the lambs which makes them very hard not to love! Russell Steer.
