Monthly TB Restricted (Orange) Sale**

Tuesday 30th September

SALE OF 55 TB RESTRICTED (ORANGE MARKET) CATTLE

Auctioneer: Simon Alford – 07789 980203

Steers to £2580

Heifers to £2310

An excellent quality line up of store cattle for our monthly sale of restricted cattle was headed by a remarkable run of well farmed dairy crossbred steers and heifers from Alan Hembrow and Family of Lostwithiel who saw tremendous bunches of Charolais steers (24m) top the sale when drawing £2580, £2570 and £2470 these were followed by a couple of fine suckler bred Charolais bullocks (just 13m) from Phillip Rawle down from Parracombe who parted with his best pair for an impressive £2020 apiece. Alan Hembrow and Family were back when selling sublime Limousin bred steers (26m) for £2460 whilst Hereford bullocks (22m) from Ken Headon of Seven Crosses eased to £1610 a head for a decent bunch of four. A matching pair of Friesian and Norwegian Red steers (23m) from Ray Middleton and Family of Woodbury reached £1220 each. More of those grand Charolais from Alan Hembrow and Family headed the store heifer section with lovely bunches all around the 24m mark racing away to £2310, £2290 and £2280 followed by their shapely pair of Hereford heifers of the same age which came back at £2060 a life. A further offering of those eye catching beef bred Charolais from Phillip Rawle looked well sold when his heifers (15m) drew £1860 apiece for a pair. Also, smaller dairy bred Hereford females (23m) ran to £1300 and £1180 for Ken Headon and Ray Middleton and Family respectively.

Your **Development Land and Planning Team** here at Kivells have housebuilders and developers who are interested in the right sites – from small family run builders who are looking for just 10 plots to large national housebuilders who want sites for 100 plus houses.

If you own land on the edge of a large village or town with good access and road frontage, we would be delighted to chat with you about your land and if there is a chance of planning for housing development in the future. With the recent reforms to the planning system, this could be an opportunity to add value to your land that could work harder for you.

Contact your Development Land & Planning Team today to discuss your options.
