INTRODUCTION

I am pleased to welcome you to the 2025 Willsbro on-farm sale on behalf of Wills Brothers Limited. This is certainly going to be a special sale with a wealth of quality from the heart of the Willsbro herd. The sale will appeal to commercial dairy farmers looking for a boast of milk for the important and valuable late summer and autumn period and to pedigree breeders looking to start or enhance family bloodlines.

Whilst there has always been an intention to stage a summer 2025 on farm sale, developments, and changes to the structure of Wills Brothers Limited brings an even higher calibre of lots forward for this sale. The sale truly demonstrates that the Willsbro herd have succeeded in Perfecting Excellence with a catalogue combining tremendous production figures, international proven cow families with deep unbroken classified pedigrees and world leading genomic values. The sale includes many cows and heifers in full milk production and sell with their 'a' lot heifer calves at foot.

As many other farming families are looking at the structure of their businesses, so have Wills Brothers Limited. Over the next few months, the family will transition the business across to the next generation and restructure. As part of this process the family are taking the opportunity to resize, with some machinery and stock sales planned and actioned with this sale being the premier sale and a fantastic opportunity for prospective buyers.

I have had the great privilege to have worked with the Wills family since before even the inception of the Willsbro herd. I had the pleasure of helping to acquire foundation stock for the establishing Willsbro herd and having had the honour to sell at every Willsbro sale since the initial sale in 2010. I have enjoyed working with four generations of the Wills family and I would like to take this opportunity to thank each and everyone of the family members involved with Wills Brothers Limited for their support, loyalty and most of all, their friendship. Whilst the business structure may be changing, I am confident knowing that not only will the Willsbro herd continue to perfect excellence, but all members of the family will chart bright and exciting futures.

I look forward to welcoming you all to Pawton on Monday 30th June 2025 whether you are a new potential buyer or a returning regular buyer and friend, you are all most welcome. Why not take the opportunity to spend the weekend in Cornwall ahead of the sale and I know you will not be disappointed with the cattle and this is definitely a Willsbro sale not to miss!
