Auctioneers Foreword

Here we are, back at Byeways for the third bi-annual production sale on behalf of these three forward thinking and progressive flock masters.

With the Sandylane flock recently crowned National Champion Flock, meaning all 3 consignors have won this great achievement at the last time of entering.

As always this sale provides a rare opportunity to purchase some of these much admired, proven bloodlines in the form of females from these flocks, as well as the added attraction of a selection of rams at the end of the sale. All stock comes highly recommended and I encourage all Dorset breeders both emerging and established, from near and far to attend this noted sale.

Burhos Flock Foreword

We are delighted to be back for the third “3 of a Kind Production Sale” with teammates Joe and Sam. It has been nice to see breeders having success with sheep that carry our bloodlines, particularly, Josh Sparks with a ewe that he purchased from the “3 of a kind sale” 2 years ago and has won Res. Female Champion at The Bath & West Show and 1st Aged ewe at the National Show with her. We are always trying to move forward with our own flock and hope that you will find some interest in the sheep that we have produced for this sale. The ethos and the progression of the flock have always been driven by traits that are important to both the commercial and pedigree market aiming to breed a Dorset that is easily fleshed with length, good loins and top maternal abilities coupled with strong breed type and character. The Burhos flock has increased to around 550 breeding ewes this year with 90 ewe lambs also retained for tupping. We have built a good reputation for producing naturally reared Shearling Rams and females that will perform well for our customers with the May Fair sale being a focus for us. We have exhibited rams in the past 10 consecutive May Fair Championships, proving the flock’s consistency. Highlights at MayFair include Best Pens of rams, Best Horn Exhibit, Overall champion Exhibit with Burhos Drambuie and Res. Champion Exhibit with Burhos Giant. This along with being Crowned National Champion Flock are our proudest achievements. Our Homebred ram Burhos X-Type and Poorton Apollo have both won the National Champion Stud Ram.

Health Status – The flock is M.V Accredited and is in the Heptavac P+ system. The Flock is vaccinated with Toxovax and Cevax and have also been bluetongue vaccinated. The Inlamb shearling ewes are due to lamb from the 8th September. All the Sires of the sale females and the service sires for the shearlings are all ARR/ARR Genotype.

We hope you enjoy your day.
Matthew & Adam

Burhos Flock Sires and Service Sires

Wilsey Fiddler – Described as the “Meat machine” from the Last pen of Wilsey rams at the May Fair sale. He is sired by the Carlisle sale ‘19 Male Champion and was 1st Aged Ram at last years’ National Show. We have a few daughters by him in the sale as well as several shearlings inlamb to him.

Bencran Hilux – Comes from the Res. Champion Flock. Purchased at last year’s May Fair sale for his growth and length. His grandsire was Champion at the Dorset Diamonds sale ‘23 (5600gns). We are pleased with his lambs which are proving to have plenty of vigour. There are several Shearling ewes inlamb to Hilux in the sale.

Burhos Edition – He is sired by the outstanding Ballytaggart Crusader and is out of the tremendous ewe Burhos W644 that also bred Burhos Chief. Edition is like his sire with an added bit of lift and style. He is producing lambs that are correct, very consistent and have the same smart, classy stamp. Sons of Edition have been sold to Sandy Lane, Byeways and Hydes Flocks.

Mountdale Fury – From the Champion Northern Irish flock. Purchased at the Dorset Diamonds sale 2023. A very correct ram producing some top females. He is sired by Ballytaggart Tonka, Champion Balmoral Show 2014 and out of the same ewe as a ewe lamb that was Champion Omagh sale 2021 (1300gns).

Richhill Flint – Was one of the best pair of Ram Lambs and Reserve Champion Overall at May Fair 2023. We particularly liked his width of loin and the length and evenness right through his back. Flint has grown into a big stock ram that has produced smart milky females.

Islaharnan Fernando – a Grandson of Downkillybegs Jethro we purchased at May Fair for his type of head, depth of body and thickness of fleshing particularly in the backend. Fernando Bred our Res. Champion at May Fair last year as well as both our show lambs at the National Show last year.

Ballytaggart Groucho – Groucho was a standout pick for us at May Fair 2024. He was the top price ram lamb and by the same sire as the top price shearling ram. Groucho has grown into a huge outstanding stock ram, with progeny being sought after by breeders.

Hydes Globe – We Purchased Globe at May Fair 2024 where he was part of the best pair of ram lambs. We liked his conformation and shape which he is passing on to his progeny. Globe is sired by the 2024 National Champion Stud Ram.

Mountdale Goodfella – A private purchase from the Champion Northern Irish flock. Goodfella is a correct and very well-balanced ram sired by Lisnafillan Exquisite who also sired Mountdale Gusto (2300gns). A little bit of Australian breeding in him produces good length progeny.

Burhos Gold Mine – Gold Mine was a favourite from the minute he hit the ground. Full of meat and muscle, he is by Burhos Zebedee that bred so consistently well for us, and out of Burhos E1467, the Royal Cornwall Show Champion 2022. His first son at May Fair was 1st in the group of three and our top price in the sale. We have also retained a son “Burhos Ingot” to use within the flock.

Maineview Huntsman – Has a bold style, a square and full backend and good thickness throughout making Huntsman a standout pick for us at May Fair last year purchased for 3000gns. He is sired by Sherborne Falcon (3300gns May Fair '23) and his Dam also produced Rivervalley Iceberg, part of the best pair of ram lambs at May Fair this year. We are very pleased with the consistency and type of his first lambs.

Sandelford Gizmo (horn)– Gizmo was purchased from the N.I Autumn Sale, a January born lamb that caught our attention. From an old bloodline, his grandsire was born 24yrs ago. An easy fleshing ram with an excellent head & horn set.

Burhos First Class (horn)– A Big Powerful ram that we retained to use ourselves. His Dams breeding goes back to a bloodline unique to Burhos. His Sire also bred Burhos Emperor who sold to Sandy Lane.

Poorton Goliath (horn)– A private purchase from Poorton. We were impressed with his growth, width and evenness right through the back. Goliath is certainly living up to his name growing into a massive ram that produces good females.

Byeways Flock Introduction

We are delighted to welcome you back to Byeways for the 3rd Three of a kind sale alongside Adam, Matt & Sam & the Kivells team.

The Byeways flock was established in 1999, with foundation stock purchased from Huish, Poorton and Sherborne flocks, with quality rams purchased over the years both privately and at Society sales. The flock currently runs at 100 breeding females.

2025 was a successful year for the flock with us selling “Byeways Hotrod” for 2000gns to the Deben flock at Mayfair, that was then topped when we were delighted to be awarded Overall Champion flock in the 2025 National flock Competition, along with being awarded Champion group of ewe lambs, and Champion medium flock & Best Shepherded, one of our biggest achievements to date.

We are pleased to offer you a combination of females from the heart of the best breeding lines within the flock, that we believe will go on do well for their new owners, whether that’s in the field or show ring.

This year we are drawing some super females out of the batch that was awarded best group of ewe lambs in last years flock competition, we were delighted to win 1st prize shearling ewe and Reserve female Champion at this years Mayfair with a shearling offered from this group.

We hope that you enjoy the sale and are enthused by our offerings and like to wish everyone good luck with their purchases and thanks for your continued support, we hope you enjoy the day.

Sandy Lane Foreward

SANDY LANE IVORY BEST HORN EXHIBIT MAY FAIR 2026

The Sandy Lane flock is delighted to be involved in this sale again in conjunction with the Burhos and Byeways flocks.

The flock was established in 1997 with the purchase of 12 Dorset Horn ewe hoggets. The horn flock currently stands at over 160 ewes with only three additional horn females purchased back in 2003. Poll ewes currently stand at 320 with females originally sourced from the Poorton, Cornella, Polgreen and Lowton flocks. Select poll females continue to be added occasionally to enable certain lines of homebred rams to be used fully.

The flock has recently been crowned the National Champion Flock, the third time achieving this accolade. The Sandy Lane entries forward in this sale have been specially selected to feature the most prominent bloodlines running through the flock at present. The ewe lambs themselves drawn from the best entry of ewe lambs in the 2026 competition.

SANDY LANE G9015 GREAT YORKSHIRE BREED CHAMPION 2025

Time constraints don't allow for a lot of showing but the Sandy Lane flock regularly features among the prizes at the society sales, and some select agricultural shows. The last 12 months have proved no different. Sandy Lane Hitman, sired by the formidable Downkillybegs Enhancer, secured Breed Champion and Reserve Interbreed Champion at Todmorden Show. Several select daughters of Enhancer feature in this sale, an opportunity for breeders to add some of this tremendous blood to their flocks. After a successful show season, the ewe lamb, Sandy Lane H9236 took the 2025 Carlisle Championship and top price of 1,700gns, closely followed by the seasons show gimmer at 1,500gns, herself having secured Breed Champion at last year's Great Yorkshire Show. May Fair 2026 saw Sandy Lane Ivory claim the Best Horn Exhibit and S.L Indiana Jones topping the pen at 1,600gns.

The aims of the flock have always been under pinned by the commercial Dorset presence that has been at Sandy Lane since the early 1950's. Producing low maintenance, easy fleshing, maternal ewes with good breed type. I believe the sheep on offer at this sale represent all the qualities listed above and are the result of 27 years of selective breeding to achieve it. I have always strived to buy the best rams suitable for my objectives as a shepherd and breeder. I have been fortunate that some of these rams have gone on to have a major impact on the Sandy Lane flock and in turn, other flocks whose custom has always been

appreciated. These 'Three of a Kind' entries feature several of these successful rams and families and provides buyers with an opportunity to utilise and build on them as I have.

All Sandy Lane sheep are on the Heptavac P+ system. The shearling ewes have been mineral bolused and have been Bluetongue vaccinated.

As always, I wish the buyers the best of luck with their purchases, with the genetics on offer I'm sure they will go on to do you well.
