FOREWORD

Kivells, in conjunction with Norton & Brooksbank, are delighted to be instructed to conduct the inaugural sale on behalf of Hawksridge Holsteins.

We are pleased to be able to stage this first sale under the Hawksridge Holsteins banner on behalf of Robert and Faye Wills on Monday, 20th July 2026. Like many other farming families, the Wills family have been working through a process of transitioning the business and assets to the next generation. The family have now completed this process and Robert and Faye Wills have taken on the dairy unit and the Willsbro herd as part of these evolutions. Robert and Faye have established a new prefix: Hawksridge Holsteins and now trade as Hawksridge Ltd. All newly born calves bred from Willsbro cows have been registered under the Hawksridge prefix. Robert and Faye have taken over the Willsbro herd in its entirety and will continue to pursue the high standards of genetic breeding for which the Willsbro herd became renowned.

Although there is a new prefix, it is very much business as usual with top quality genetics, outstanding type and world-leading production continuing to be the focus of this forthcoming sale. We look forward to welcoming you to Pawton Dairy where this sale will see an exceptional entry sell!
