DISPERSAL SALE OF TRACTORS, MACHINERY, IMPLEMENTS & EFFECTS

KIVELLSMACHINERY.MARTEYE.IE

01409 253253 | MACHINERY@KIVELLS.COM | WWW.KIVELLS.COM

Foreword

This important dispersal sale follows the decision of Peter Bloomfield to retire from active farming and relinquish his agricultural tenancy at Tregune Farm.

Having spent a lifetime farming at Tregune, Peter together with his brother Chris have built up a considerable collection of implements, machinery & effects appropriate to a farm of this nature.

On further inspection of this catalogue, it will be seen that this is a true and genuine dispersal sale where there will be a choice of something for everyone.

Kivells would like to thank both Peter and Chris for all their loyal custom over many years and for their instructions in this important dispersal sale. We would also like to wish Peter every success in his retirement.

- 1. Registration and Bidding online-** Online bidding is via Marteye, intending bidders must download the MartEye App from your phone App store where you can register. Once you have downloaded the App you need to go on the Kivells Machinery Page and **Sign in** with your details and then click the **Join** button. You can also access MartEye through kivellsmachinery.marteye.ie where you will be directed straight to our page and you will be required to **Sign in** with your details and then click the **Join** button. Once you have done this process your application will come through to us for approval. **We strongly advise registering well ahead of the sale as 'late' registrants, on the morning of sale, run the risk of not being approved in time. Kivells recommend that bidders register and satisfy Kivells regarding payment capability on or before Thursday 16th July. Overseas bidders should contact Kivells accounts office at the earliest opportunity.**
- 2. Registration and Live Bidding -** All those attending the sale in person will be required to register in the Kivells Pay Office, prior to inspecting the lots, whereby you will obtain a Bidding Card. The Bidding Card will be used to bid on the sale items. Failure to register may mean your bid may not be acceptable and slow the sale for all other attendees. Kivells recommend that you arrive early on the sale day in order to register and minimise queuing time.
- 3. Commission Bids-** Kivells encourage the use of our Bidding Form which can be found on our website and phone bids may be possible - please contact the Auctioneers regarding this the week before the sale.
- 4. Registration and Conditions of Sale -** Kivells reserve the right to request additional information to include Driving License/Passport together with a Business Card/Utility Bills/Proof of Address/Business Letter Heading and the right to request a deposit ahead of any purchase or during sale proceedings. Kivells also reserve the right to deregister Buyers. It is strongly recommended that Bidders and Buyers read Kivells Standard Terms and Conditions of Sale ahead of the sale. Once you have registered you are confirming that you have read, agree with and will abide by those Conditions and these Notice to Purchasers. In registering you warrant that the information is correct, up to date on the sale closure date and you are over the age of 18. All registrations are provisional and subject to the approval by Kivells.
- 5. Lot Viewing –** Viewing is permitted on the designated dates and times only unless previously agreed with the auctioneers. When inspecting lots, we encourage you to maintain a safe social distance.
Viewing Date(s) and Times are: Thursday 16th July 1-3pm & sale morning from 9am
- 6. Health & Safety -** Kivells do not accept any liability for any damage or injury to persons, vehicles, plant, machinery, equipment or any lot not arising out of their negligence. When lots are located on The Sellers premises or 3rd party storage facilities then the aforementioned are responsible for Health & Safety. Any person entering the Saleground does so at their own risk, must comply with the requirements of any Health and Safety notices and guidelines and be appropriately dressed. Please ensure you maintain a safe social distance. All persons entering the premises are hereby given notice that there are significant risks due to the range and display of equipment, vehicle movement and the nature of the premises. Caution should be exercised and children must be fully supervised at all times. Permission from the Auctioneers / Seller or storage facility manager is required ahead of starting powered equipment or machinery. Any incidents or accidents on the premises should be reported to Kivells/Seller or storage facility manager immediately. Kivells reserve the right for themselves and their Sellers and 3rd party storage facilities to refuse admission to any person or vehicle into the Saleground without giving reason. The Auctioneers also reserve the right for themselves and the Sellers and 3rd party storage facilities to halt any removal in the event there are concerns over the Buyer's or their contractor's capability and methods. The right extends to requesting confirmation of insurance cover, method statements and other assurances to include returnable deposits.

Notice to Purchasers

7. **Loading:** Loading of sold lots during the sale in the sales field will NOT be permitted unless Kivells give permission and have personnel available for crowd control and other safety purposes. To enable loading to occur all attendees are requested to follow the mobile sale rostrum and move away from the sold rows. In any event **loading will not be permitted before 3pm on the sale day.**
8. **Descriptions of Lots** - Kivells has limited access to lots prior to sale and therefore Buyers should satisfy themselves prior to making bids as to the condition of any Lot and should rely on their own judgement as to whether the Lot accords with its description. All Lots are sold with all faults and imperfections and errors of description. All statements are the Auctioneers or Sellers opinion and are not statements or representations of facts. You do not have to bid.
9. **Payment - Currency GBP** – Onsite Attendees - Day of Sale: Online Bidders - The auctioneers will either 1) contact you on day of sale for immediate payment or 2) will email an invoice on the first weekday following the close of the sale. Email payment is thereafter due no later than 24 hours from the time of forwarding the invoice. Payments will be due in full at the final bid price in respect of the lot sold plus all associated costs, Buyers premium and VAT. Finance should be agreed before the sale. Failure to have finance in place does not negate the Buyers obligation to pay.
Payment will only be accepted from the successful purchaser or their duly appointed agent. Any payment is to be by a means approved by the Auctioneers and include the Buyers Commission and VAT. Our terms are strictly cash, Bank Transfer, Debit Card, **NO** Credit Cards are accepted.

All Bidders on Marteye will be paying an additional 1% (subject to a maximum sum of £500) plus VAT per lot for the use of this service.
12. **Risk** - All lots remain at the risk of the Buyer from the fall of the hammer/closure of bidding for each lot and it is strongly advised that the Buyer effects insurance immediately.
13. **Collection of Lots** - All lots must be removed from the Sale ground by 1pm on Thursday 4th June (unless other arrangements have been made with the seller or the auctioneers). When removing lots, please ensure you maintain a safe social distance. Lots can only be removed once full payment has been made. The Buyer is responsible for the collection of their lots and any associated costs of transport. Assistance with loading by The Auctioneers, Seller or the storage facility is given without any liability to The Buyer or The Buyers removal contractor. Buyers are strongly advised to use their own suitably qualified and insured contractors.
14. **Handler** - Assistance with loading will be available for the stated clearance period. Any items left at the sale premises are done so entirely at the purchaser's own risk.
15. **Value Added Tax** - Please be aware some lots may be subject to VAT and therefore VAT will be charged in accordance to the current rate and added to all accounts and is applicable to the Commission/Buyers Premium. VAT status will be clearly stated in the Lot description.
