A very successful sale on behalf of The Late Walter Millman which saw a large crowd of attendance and a top call of £23,000!

Our top call of the day was £23,000 for a 2004 John Deere 6120 with a 551 loader and a very respectable 5,031 hours on the clock. £11,500 was reached for a 1988 John Deere 3650 showing 10,257 hours. Following on with the trade was a 1983 John Deere 2140 showing 7,632 hours which achieved £10,200.

A McConnel PA55 hedge trimmer went under the hammer for £6,900 followed by £5,300 for a 1968 Massey Ferguson 165 with a loader. A 2008 Kubota RTV 900 with 2,917 hours on the clock topped out at £4,600.

All in all, a very successful sale. Our thanks go to Grace Millman and family for allowing the sale, all of our further vendors and all bidders, buyers, supporters and everyone who helped organise the day.

Kivells Machinery & Equipment Sales
Online | On Site | On Market Premises

- 'Our expertise centres around the agricultural sector and as our clients have diversified so have we.
- We sell a huge range of machinery and equipment both into and out of the sector.
- Our online service offering is market leading and the feedback we have received both from our vendors and buyers bears that out. We are proud of our reputation and we are confident the choice of Marteye as Kivells online service partner will add to that.
- Our policy is to offer the best online capability combined with tried and tested traditional methods. We recognise the role auctions play in the agricultural community enabling people to gather and meet and the wellbeing benefits that brings. It is all about achieving the right balance in a safe environment and at the same time maximise the realisation for our vendors and ease of use for our buyers. We believe Kivells combination of market leading sales technology and respect for tradition does just that.'

Thinking of Selling? Feel free to contact me or any of our team for a confidential discussion. It is never too early to plan and prepare'.
