A very successful new Tiverton Collective Sale with over 300 lots on offer and an impressive 91% clearance!

Our top call of the day was £19,800 for a 2013 Case 85A with MX U307 loader and only 5,159 hours on the clock. A 2006 McCormick CX105 Xtra shift with Trima 220 loader went under the hammer for £14,200. Following the trade was a 1995 Massey Ferguson 342 with 4,925 hours on the clock topping out at £8,100.

A tidy example of a 1987 Case International 856XL in original condition with 5,250 hours on the clock sold for £4,500. A 2002 Land Rover Defender 90 with 94,000 miles on the clock topped out at £4,100. A 2009 Hi-Spec SA-R vacuum tanker topped out at £2,700.

A spares or repairs flatbed trailer sold for £2,500. Closely followed by £2,300 for a tidy example of a 2004 Suzuki Eiger 400cc road registered quadbike. A Teagle flail topper in good working order topped out at £2,200.

A 2012 Kioti gator with 3,145 hours on the clock sold for £2,000. An Einbock grass seeder in good working order went under the hammer for £1,950 followed by a Graham Edwards 14ft flatbed tri-axle trailer which achieved £1,500.

All in all, a very successful sale. Our thanks go to all our vendors, bidders, buyers, supporters and everyone who helped organise the day.
