DISPERSAL SALE OF TRACTORS, MACHINERY, IMPLEMENTS & EFFECTS

KIVELLSMACHINERY.MARTEYE.IE

01409 253253 | MACHINERY@KIVELLS.COM | WWW.KIVELLS.COM

Foreword

This important retirement dispersal follows the decision of Peter and John Windemer to retire from their contracting business that has formed their life for many years.

The business was set up in the 1980's when Peter and John would regularly travel to a large area of Devon and Cornwall with their contracting operation, either drilling and harvesting fodder beet or silaging amongst the various services they have offered.

As time went on coupled with the outstanding reputation the business grew with the brothers becoming well known for offering a bespoke, family based, reliable service to their loyal customer base. This customer base has remained with the Windemer brothers for more than 4 decades and has enabled the business to invest in the best tools for their trade.

Whilst our involvement with Peter and John has been limited to this year, we have observed the brothers to be totally committed to their machinery with particular care in driving but also total diligence with regards to cleanliness, maintenance and a passion for their tractors and kit.

Foreword

We as auctioneers highly recommend this important sale to the discerning purchaser with very few machinery sales conducted by Kivells trumping this one.

We have enjoyed working with both brothers in the organisation and preparation of their sale and have found their professional approach unprecedented and at the highest level.

We wish Peter and John a very happy retirement and thank them sincerely for their kind instructions in this important retirement dispersal.

Once you have downloaded the App you need to go on the Kivells Machinery Page and **Sign in** with your details and then click the **Join** button. You can also access MartEye through **kivellsmachinery.marteye.ie** where you will be directed straight to our page and you will be required to **Sign in** with your details and then click the **Join** button. Once you have done this process your application will come through to us for approval. **We strongly advise registering well ahead of the sale as 'late' registrants, on the morning of sale, run the risk of not being approved in time. Kivells recommend that bidders register and satisfy Kivells regarding payment capability on or before Wednesday 24th September. Overseas bidders should contact Kivells accounts office at the earliest opportunity.**
- 2. Registration and Live Bidding -** All those attending the sale in person will be required to register in the Kivells Pay Office, prior to inspecting the lots, whereby you will obtain a Bidding Card. The Bidding Card will be used to bid on the sale items. Failure to register may mean your bid may not be acceptable and slow the sale for all other attendees. Kivells recommend that you arrive early on the sale day in order to register and minimise queuing time. Attendees on the Thursday viewing can register that day. A registration form is included in the catalogue to enable on site attendees to speed up the process.
- 3. Commission Bids-** Kivells encourage the use of our Bidding Form which can be found on our website and phone bids may be possible - please contact the Auctioneers regarding this the week before the sale.
- 4. Registration and Conditions of Sale -** Kivells reserve the right to request additional information to include Driving License/Passport together with a Business Card/Utility Bills/Proof of Address/Business Letter Heading and the right to request a deposit ahead of any purchase or during sale proceedings. Kivells also reserve the right to deregister Buyers. It is strongly recommended that Bidders and Buyers read Kivells Standard Terms and Conditions of Sale ahead of the sale. Once you have registered you are confirming that you have read, agree with and will abide by those Conditions and these Notice to Purchasers. In registering you warrant that the information is correct, up to date on the sale closure date and you are over the age of 18. All registrations are provisional and subject to the approval by Kivells.
- 4a. We advise the following-** To take part in this sale you may be required to pay an initial deposit in order to bid and this applies both to attendees on site and to online bidders. If you are unknown to Kivells or have not traded with Kivells for the last 12 months then you will be deemed to be a new buyer. All new buyers will be required to pay a deposit.

The minimum deposit payable is £500. In all other instances a 10% deposit of anticipated max bid amount is required. Should your bid exceed any anticipated bid spend then Kivells reserve the right to request additional funds during the sale event. Kivells are the sole arbiters as to the amount payable.

Deposits must be paid in cleared funds at least 24 hours before the sale day by BACS transfer or Debit Card payment. Alternatively cash payments can be made on site, on the day of sale, subject to Anti-Money Laundering regulations.

A minimum deposit of £500 is required which allows a credit limit of £5,000 or 10% of the anticipated purchase price.

When lots are located on The Sellers premises or 3rd party storage facilities then the aforementioned are responsible for Health & Safety. Any person entering the Saleground does so at their own risk, must comply with the requirements of any Health and Safety notices and guidelines and be appropriately dressed. Please ensure you maintain a safe social distance. Caution should be exercised and children must be fully supervised at all times. Permission from the Auctioneers / Seller or storage facility manager is required ahead of starting powered equipment or machinery. Any incidents or accidents on the premises should be reported to Kivells/Seller or storage facility manager immediately. Kivells reserve the right for themselves and their Sellers and 3rd party storage facilities to refuse admission to any person or vehicle into the Saleground without giving reason. The Auctioneers also reserve the right for themselves and the Sellers and 3rd party storage facilities to halt any removal in the event there are concerns over the Buyer's or their contractor's capability and methods. The right extends to requesting confirmation of insurance cover, method statements and other assurances to include returnable deposits.
7. **Loading:** Loading of sold lots during the sale in the sales field will NOT be permitted unless Kivells give permission and have personnel available for crowd control and other safety purposes. To enable loading to occur all attendees are requested to follow the mobile sale rostrum and move away from the sold rows. In any event **loading will not be permitted before 12 noon on the sale day.**
8. **Descriptions of Lots** - Kivells has limited access to lots prior to sale and therefore Buyers should satisfy themselves prior to making bids as to the condition of any Lot and should rely on their own judgement as to whether the Lot accords with its description. All Lots are sold with all faults and imperfections and errors of description. All statements are the Auctioneers or Sellers opinion and are not statements or representations of facts. You do not have to bid.
9. **Payment - Currency GBP** – Onsite Attendees - Day of Sale: Online Bidders - The auctioneers will either 1) contact you on day of sale for immediate payment or 2) will email an invoice on the first weekday following the close of the sale. Email payment is thereafter due no later than 24 hours from the time of forwarding the invoice. Payments will be due in full at the final bid price in respect of the lot sold plus all associated costs, Buyers premium and VAT. Finance should be agreed before the sale. Failure to have finance in place does not negate the Buyers obligation to pay.

Notice to Purchasers

Payment will only be accepted from the successful purchaser or their duly appointed agent. Any payment is to be by a means approved by the Auctioneers and include the Buyers Commission and VAT. Our terms are strictly cash, Bank Transfer, Debit Card, **NO** Credit Cards are accepted.

12. **Risk** - All lots remain at the risk of the Buyer from the fall of the hammer/closure of bidding for each lot and it is strongly advised that the Buyer effects insurance immediately.
13. **Collection of Lots** - All lots must be removed from the Saleground by 1pm on Tuesday 30th September (unless other arrangements have been made with the seller or the auctioneers). When removing lots, please ensure you maintain a safe social distance. Lots can only be removed once full payment has been made. The Buyer is responsible for the collection of their lots and any associated costs of transport. Assistance with loading by The Auctioneers, Seller or the storage facility is given without any liability to The Buyer or The Buyers removal contractor. Buyers are strongly advised to use their own suitably qualified and insured contractors.
14. **Handler** - Assistance with loading will be available for the stated clearance period. Any items left at the sale premises are done so entirely at the purchaser's own risk.

The Purchaser or their agent will be responsible for removing the Lots from Great Britain and will act as the importer of record and will be responsible for payment of any VAT, duties, goods and services tax, or other sales or import taxes or duties arising on the exportation of the goods from Great Britain and the importation of the goods into any country.
