Testimonial from Windemer Contractors Limited

“Peter and John Windemer would like to take the opportunity to thank the team at Kivells for managing their retirement sale. The whole process from start to finish was handled smoothly and professionally. The sale proceeds greatly exceeded our expectations and we would recommend Kivells to anyone in the future. ”

David Kivell- Auctioneer, commented:

An exceptional day was had at this important retirement dispersal on behalf of Peter and John. Having conducted several of these retirement dispersals, most of them remain as memorable occasions, this one will certainly fit that bill having prepared for the sale since March and enjoying every minute both in preparation and conducting this important auction on behalf of two exceptional gentlemen.

I would like to take this opportunity in thanking both brothers and wishing them all the very best in their retirement and future and also in thanking all those that supported this sale, both colleagues at work and our attendee buyers at the sale field and on Marteye.

This really was a genuine unreserved dispersal, a pleasure to conduct and will always be remembered.

Thank you to all.
