Your **Development Land and Planning Team** here at Kivells have housebuilders and developers who are interested in the right sites – from small family run builders who are looking for just 10 plots to large national housebuilders who want sites for 100 plus houses.

If you own land on the edge of a large village or town with good access and road frontage, we would be delighted to chat with you about your land and if there is a chance of planning for housing development in the future. With the recent reforms to the planning system, this could be an opportunity to add value to your land that could work harder for you.

Contact your Development Land & Planning Team today to discuss your options.

61 PRIME CATTLE & CULL COWS – 10:45 AM

Auctioneer: Simon Alford – 07789 980203

**Prime Steers to 368ppk and £2419 – Prime Heifers to 382ppk and £2608
Cull Cows to 290ppk and £1904**

Bigger numbers of prime and cull cattle forward here at Exeter this week when we saw a tremendously well-bred and farmed 804kg South Devon heifer from George and Anne Dart of Clyst Hydon top the sale at 325ppk and £2608 whilst top per kilo in that section was 382 pence given for a smart 598kg Simmental from Douglas Horton and Family of Kingsbridge which levelled out at £2281. A well turned out Charolais female from Bottor Rock Farms from Hennock drew £2215 (634kg x 350ppk) followed by a super homebred British Blonde heifer at £2091 (602kg x 348ppk) and bred out of the Bowbeer hurd of Adrian and Bradley Bowden in from Drewsteignton. Plenty of those well fed heavyweight steers about this week with a couple of big powerful South Devons from Peter Hunt of Newton Abbot leading the way when fetching £2419 (762kg x 318ppk) and £2384 (796kg x 300ppk). Further grand steers saw a Simmental reach £2366 (644kg x 368ppk) for Bottor Rock farm whilst a young but well covered Charolais heifer (just 16m) came back at £2356 (678kg x 348ppk) for Tom Yandle of Oxtan. More well-rounded steers saw a Limousin from Eric and Alex Dennis of North Tawton return them £2307 (664kg x 348ppk) followed by native breed bullocks at £2326 (640kg x 364ppk) for an Aberdeen Angus from Nick Parkinson down from Burrington and the better of a run of well summered Devon bullocks from Adrian Pike of Nymet Rowland which sold to £1993 (624kg x 320ppk). Best of the cull cows eased to £1904 x2 (658kg x 290ppk and 734kg x 260ppk) for Crispin Alford and Family of South Zeal with another strong South Devon from Adam and Kate Partridge of Poundsgate realising £1736 (696kg x 250ppk). Good bodied Simmental barreners from Malcolm Pring of Broadclyst ran to £1697 (686kg x 248ppk) whilst a well kept British Blue from Derek Coren of Yeoford reached £1469 (646kg x 228ppk). Also lean grazing types picked up £1194 (624kg x 192ppk) for Simon Bettison of Bolventor and Devons saw £1126 (588kg x 192ppk) for Brian Coward in from Bridestowe.

TB Champions CIC

We understand that bTB doesn't just affect cattle – it impacts the wellbeing of farming families, and threatens the future of farm businesses.

TB Champions has been established to stand alongside farmers throughout their bTB breakdowns and provide on-going support.

Our Objectives

- **Mental Health and Wellbeing**
 - Provide emotional support for farming families and, if required, signpost to specialist wellbeing professionals who are familiar with the impacts of bovine TB on farmers and their families.
- **Education - Raise Awareness and Promote Best Practice**
 - Ensure that farmers have the knowledge and understanding to manage their breakdown as effectively as possible.
 - Clarify information around testing protocols, interpreting results, biosecurity, and policy, and what options are available to them when it comes to movements, testing, trading etc. Assist with government paperwork and licensing if required.
 - Strengthen farmer engagement with bTB control strategies in order to strive for eradication on-farm.
- **Collaborative Approach - Bridge Communication Gaps**
 - Strengthen dialogue and facilitate a collaborative approach between farmers, private vets, APHA, and support services.
 - Liaise with APHA on the farmer's behalf where possible.
- **Business Resilience - Provide Business Support Signposting**
 - Guide farmers to specialist business advice and support services in the event of a TB breakdown that may significantly impact their operations.
- **Wildlife Monitoring**
 - Provide access to 'pool' wildlife cameras to help farmers identify and monitor wildlife risks linked to bTB transmission.

We are offering **FREE SUPPORT** to cattle farmers in Devon
