SUCKLED CALVES

250 calves forward for our 3rd sale which sold to another superb trade, which went on to average the same as the first Tuesdays sale with perhaps today's calves been a fraction smaller. Jim Buckland up from St Bruyan led the way with a tremendous pair of 9-month Simmental steers which rose up to a grand £1940 with a bunch of 4 off the same farm in next which levelled out at a strong £1720- a credit to Jim! Charolais steers up next hitting £1840 for an outstanding consignment in from David & Julie Vickery of Bolventor with more from the same farm at £1670 and £1660, followed by Beth Wills, Camelford making £1590 for the best of her Charolais steers. Des May in from Tintagel unloaded a grand run of Limousin calves, with plenty of stretch and shape realising £1770 and £1760 with other stylish Limousins drawing £1610, £1560, and £1540 for a smart run from R & S Moore coming down from Okehampton. Hereford calves reached £1340 at 7 months for PD Mitchell, Liskeard followed by the best of the Angus steer which attained £1300 for Paul Wherry, Bodmin. Heifers peaked at £1500 for a very neat, black Limousin heifer in from Des May, with very young Limousin heifers away to £1470 for R & S Moore. Followed by the best of the Charolais heifers hitting £1460 for a beautiful bunch in from Dave & Julie Vickery again who sold other bunches away to £1400. **A great sale and a great trade- calves required for our 4th sale which is Thursday 19th November**
