Foreword

Kivells are delighted to have received instructions to disperse the adult portion of the Sidborough flock of Pedigree and purebred Texels on behalf of Michael Lear of North Sidborough, Tiverton, Devon.

Michael has made the difficult decision to disperse the adult portion of his Sidborough flock of Pedigree Texels as he gradually starts his retirement from active farming. The Ewe & Ram lambs are being retained and will be sold next year.

The flock was established in 1979 and Michael has bred many Rams over the years for the Pedigree and commercial market.

Over the years the flock has enjoyed great success in the annual flock competition and the most recent being crowned the **winner of the large flock** and the **2026 Overall Champion Texel flock** in the South West Texel flock competition.

The Sale comprises: 15 Older Pedigree Ewes, 15 Shearling Pedigree Ewes and 10 Flock Age Pure Bred Ewes.

Flock health

The flock has been Bluetongue vaccinated, the Ewes were done at the end of April 2026 and the Shearlings were done at the end of February 2026. In the Heptavac P system and also done with Toxovax.

Auctioneer's Comment

Michael has been breeding Texels for nearly 50 years and is renowned for producing top quality Rams and often tops the Sales. I have had the pleasure of selling many Sidborough rams over the years which have been purchased by Pedigree and commercial breeders.

We highly recommend attendance to this important and most genuine dispersal of Pedigree & Purebred Texel females.

In bringing this sale to Exeter we will also be offering online bidding to potential purchasers via Marteye and the sale will also be streamed on line.

We hope to see you here at Exeter livestock centre or hear from you in anticipation of bidding online.
