FOREWORD

I am pleased to welcome you to the August 2025 Willsbro On-Farm Sale on behalf of Wills Brothers Limited.

This is certainly set to be a very special sale, showcasing a wealth of quality straight from the heart of the renowned Willsbro herd. The sale will appeal both to commercial dairy farmers looking for a boost in milk production during the important and valuable late summer and autumn period, and to pedigree breeders looking to start or strengthen family bloodlines.

This catalogue truly demonstrates that the Willsbro herd has succeeded in Perfecting Excellence — offering tremendous production figures, internationally proven cow families with deep, unbroken classified pedigrees, and world-leading genomic values.

The sale includes many cows and heifers back in calf, due over the autumn and winter months, as well as a wonderful consignment of dry cows. The cows are Lepto, BVD and IBR vaccinated and Johnes monitored. CIS Milk Recorded with a Herd Average of:

14,110Kgs 4.31%BF 3.36%PTN

I have had the great privilege of working with the Wills family since even before the inception of the Willsbro herd. I had the pleasure of assisting in acquiring foundation stock for what would become one of the UK's most respected Holstein herds, and I've had the honour of selling at every Willsbro sale since the first, back in 2010.

It has been a genuine pleasure to work alongside four generations of the Wills family, and I would like to take this opportunity to thank each member of the Wills Brothers Limited team for their support, loyalty, and above all, their friendship.

I look forward to welcoming you all to Pawton Dairy on Friday 22nd August 2025. Whether you're a first-time visitor or a long-time supporter, you are all most welcome.

Mark Bromell

Director and Auctioneer, Kivells
