### 324 PRIME SPRING LAMBS

As expected a large entry of springers following last week’s phenomenal trade saw fresh abattoirs looking to source new season lambs and provided a decent level of trade throughout. Spring Lambs sold to a top of £110 for a 50kg lamb from John Alford of Cullompton, £109 & £106 for penfuls of similar from Tom Yandle of Manhead and £106 also for Ross & Helen May of Netherexe. 46kg lambs to £103 for Kevin & Becky Matthews of Launceston, 45kgs reached £108.50 for the Westcott family of Cullompton and 44kgs peaked at £107 again for Tom Yandle. Derek White of Axminster exhibited top price 42kgs at £105.50 (251ppk) followed by Dudley Banks of Fenny Bridges at £104.50 (249ppk) and both Ian Harrison of Callington and Ben & Charles Mortimer of Powderham made £104 (248ppk). Best of the 41kgs came from John Alford and realised £105 (256ppk) and top price per kilo went to Arthur Salter of Broadclyst with a trio of 40kgs at 259p (£103.50). Lighter lambs were of mixed quality and saw 39kgs make £95.50 (245ppk) for Tuckett & Warne of Manhead as 37kgs reached £88.50 for Mary Curtis of Cadeleigh. SQQ as expected was back 39 pence at 235ppk.

### 1110 PRIME HOGGS

More than 1100 Prime Hoggs were topped by over weight Charollais’ at £112.50 for Brian Cornish and family of Holcombe Rogus, £112 for Graham Parker of Burrington, £109.80 & £106.20 for R & P Farming of Manhead and more of the same at £105 for both Russell Stevens of Crediton and Phil Lockyer of Cheriton Bishop, who also both sold smart 51kg hoggs at £109 as well as Phil selling other pens at £108 & £106. 50kg hoggs at £108 for Phil Lee of Tedburn St Mary, 49kgs to £106 for Kevin & Becky Matthews, 47kgs to £104.50 (222ppk) for Richard Rogers of South Milton and £102.80 for Michael Cheriton of Whitestone as 46kgs reached £99.50 for Bob Rank of Exeter. Best of the 45kgs climbed to £98.50 (219ppk) for Norman Pyle of Bow, £97.80 for John Reddaway of Cosick Cross and £97 for AJ Withers & Sons of Cove who also had 44kgs at £96. Gerald & Linda Heywood of Rackenford exhibited two pens of 45kg hoggs that made £95.80 & £95.50 whilst South Molton’s Tony Pickard sold 44kgs at £95.50. 43kgs hoggs reached £94 (219ppk) for John Alford of Cullompton, top price per kilo came from John Reddaway of Cosick Cross with 42kg at 225ppk (£94.50), closely followed by Steve Harris of Littlehempton at £92.50 & £92 (220 & 219ppk). 40kg hoggs were headed by the best of a great run of Scotch hoggs from Brian Vallance of Bickington selling at £87.20, £86 & £84.50 (218 & 216ppk) as well as 39kgs at £83 and 38kgs at £81.20. 39kg hoggs were topped by the Steer family of Ashburton at £86.50 (222ppk) as well as lighter 35kg Beltex’s at £78 (223ppk). Several under-finished and tail ender hoggs “misplaced” today as they would have been deemed dearer on a Friday as stores, affecting the SQQ to the tune of 5p to make it 205ppk.

### 913 CULL EWES & 31 RAMS

Another big penning of almost 1000 culled ewes and rams were just about as dear as the last few weeks, although the edge was maybe off some of the medium ewes, mid-way through the sale. A tremendous pair of Charollais ewes topped at £129 & £100 for Ben & Amelia Watts of Ashburton, farmer of the same parish, Mike Waycott sold a Suffolk ewe at £126 and Richard Rogers of South Milton sold a single Suffolk cross ewe well at £120. Pens of Suffolk Mules sold at £112.50 for both Tracey farm of Aylsham, Gary & Ashley Retter of Cheriton Bishop who sold Texel crosses at £105 and further Suffolk crosses sold to £112 for Tom Yandle of Manhead and £111 for Mark Irish of Woodland. Plenty of other ewes breaking the £100 barrier including a strong pen of Dorset’s from Aubrey Hosegood of East Worlington. Mules touching £80 on a few occasions with the general run from £62 to £75 depending on weight. Hill ewes continue at their recent rates with the majority £35 to £55. Rams met a joint top of £114, firstly for the first lot sold from A Bratt of Talaton and then later in the sale for Richard Rogers, followed by the best of a few penfuls from R & P Farming at £101 and Rothamstead Research of North Tawton at £100.50. Overall average is similar at £71.
