Conditions of Sale - It is strongly recommended that Bidders and Buyers visit Kivells.com and read the full Conditions of Sale produced by the Livestock Auctioneers Association (LAA) ahead of the sale. Unless advised otherwise you will be bidding and buying under these Conditions and you will be obligated to abide by these Conditions and these Notice to Purchasers. The LAA Conditions of Sale are also displayed in Kivells market office. Clauses 12 to 19 inclusive relate mainly to the Purchaser. This catalogue may also contain reference to Warranties as defined by the LAA Conditions of Sale. Warranty issues will not be considered if payment in full has not been received.

Risk - All livestock are at the risk of the Vendor before they are sold and at the risk of the Buyer when they are sold (fall of the hammer). It is strongly advised that Vendors and Buyers ensure that their insurance policies cover livestock at market premises and that Buyers have immediate cover for animals purchased.

Removal of Lots - Lots can only be removed once payment has been made in full and/or a pass issued by the Auctioneers. All Lots need to be cleared from the sale premises by 5pm on the day of sale unless otherwise agreed with the Auctioneers.

Descriptions of Lots - Buyers should satisfy themselves prior to making bids as to the condition of any Lot and should rely on their own judgement as to whether the Lot accords with its description. All Lots are sold under the Livestock Auctioneers Association Conditions of Sale as referred to above to include the following two clauses:

Statements of Fact - Unless otherwise announced all statements of fact made in any sale catalogue or at the time of sale regarding the breeding of any animal, its health status or other tests carried out on any animal are statements of fact made by the Vendor and not the Auctioneer and the Auctioneer accepts no responsibility for any misstatement nor does he nor the Vendor accept any responsibility for any subsequent reaction by an animal sold to any relevant test administered after the sale.

Liability of the Auctioneer - The Auctioneer acts in all respects only as agent for the Vendor and no warranty is given by the Auctioneer or his employees or contractors, and none shall be implied, as to title, description or the quality of any Lot. Neither the Auctioneer nor his employees or contractors shall be liable to the Purchaser in any respect for any defect of title, error of description or imperfection or for any announcement or statement concerning any Lot offered for sale whether made orally or in writing (whether in a sale catalogue, order of sale, advertisement for the sale or otherwise) and whether given before, during or after the sale, nor shall he incur any liability in relation to any dispute between a Vendor and Purchaser.

Bidding Form - The Auctioneers will bid on your behalf if written instructions are received on the form supplied, or an email or text has been received confirming instructions and acceptance of the terms set out in the form, and adequate time is available to enter such bids. The Auctioneers reserve the right to request a deposit as part of the instruction process. It is entirely at the discretion of the Auctioneers whether other forms of bids are acceptable however in every case there is no liability on the auctioneers.
